**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am strongly opposed to the USTelecom petition and urge you not to pass it. I am one who has chosen a competitive broadband provider as a small business owner and a private consumer, and have experience lower rates as well as faster broadband via fiber optical service, which was not provided to me and my family by my previous provider, ATT.
